## Anti-Bullying Policy

---

### OUR SCHOOL'S VALUES AND BELIEFS

- All pupils and staff have the right to feel happy, safe and secure.
- Pupils and staff have the right to work in an environment without harassment, intimidation or fear.
- All bullying, of any sort, is therefore unacceptable.
- Pupils or staff who experience bullying will be supported.
- We recognise the effects that bullying can have on a person's feelings of worth and on their school work, and the school community will actively promote an anti-bullying environment.
- We wish to promote our school's Christian values and encourage all members of the school community to adopt them, whilst respecting those of other faiths.

### OUR INTENTIONS IN PRODUCING THIS POLICY ARE

- To provide a learning environment, free from any threat or fear, and conducive to the achievement of individual aspirations.
- To reduce and to eradicate wherever possible, instances in which a person is made to feel frightened, excluded or unhappy.
- To establish a means of dealing with bullying, and of providing support to those who have been bullied.
- Our belief is that all members of the school community should be included fully in the life of the school.
- To ensure that all pupils, parents, staff and governors are aware of the policy and that they fulfil their obligations to it.
- To meet any legal obligations which rest with the School.

### OUR DEFINITION OF BULLYING

"Behaviour by an individual, or group, usually repeated over time, that intentionally hurts another individual or group either physically or emotionally". (*DCSF Guidance Safe to Learn page 6, paragraph 4*)

It can take many forms but the main types are:

- Physical – hitting, kicking; taking another's belongings.
- Verbal – name calling; taunting; mocking; insulting; making offensive remarks.
- Indirect – spreading nasty stories about someone; gossiping; offensive graffiti; exclusion from social groups, being made the subject of malicious rumours.
- Cyberbullying – inappropriate text messaging; e-mailing; sending offensive or degrading images by phone or via the internet
- Sexting – the recognition that peer on peer abuse can also manifest itself in this form

Some forms of bullying are attacks not only on the individual, but also on the group to which he or she may belong.

Within school we will pay particular attention to:

- Racial harassment and racist bullying.
- Bullying on religious or cultural grounds
- Sexual bullying.
- The use of homophobic language.
- Bullying of pupils who have special educational needs or disabilities.
- Bullying related to appearance or health conditions.
- Bullying of young carers; looked after children or otherwise related to home circumstances.

## **CREATING AN ANTI-BULLYING CLIMATE IN OUR SCHOOL**

Our school's Behaviour Policy explains how we promote positive behaviour in school to create an environment where pupils behave well; staff act as positive role models; where we all take responsibility for each other's emotional and social well-being and where we include and support each other.

We will draw on Lancashire Education Authority's advice to promote appropriate behaviour through direct teaching, and by creating an emotionally and socially safe environment where these skills are learned and practised. Our aim is to create a climate where bullying is not accepted by anyone within the school community.

Our curriculum will be used to:

- Raise awareness about bullying and our anti-bullying policy.
- Increase understanding for victims and help build an anti-bullying ethos.
- Teach pupils how to manage their relationships constructively with others.

Current affairs, literature and historical events will be chosen to reinforce our anti-bullying approach.

Circle Time, role plays and stories will be used to show what pupils can do to prevent bullying, and to create an anti-bullying climate in school.

Bullying will not be tolerated and we make this clear in the information we give to pupils, parents and staff when they join our school and within our policies and procedures.

We will use school assemblies and collective worship to reinforce our message that bullying will not be tolerated.

Periodic poster campaigns will be used on the school notice boards and in classrooms to remind pupils that bullying is not acceptable, and to tell them what to do if they are bullied.

Anti-Bullying week and regular eSafety lessons will be used to raise awareness, promote friendship, and celebrate good practice.

Lines of communication

- Circle Time – this provides opportunities to discuss issues around bullying in a non-threatening and open way.
- Our School Council offers a forum in which concerns about bullying can be discussed on a regular basis.
- We will ask pupils where and when bullying occurs in school and we will supervise, and try to eliminate, any unsafe areas which they report to us.
- We will provide regular whole school training on spotting the signs of bullying and how to respond as well as ensuring personal safety.

## **OUR SCHOOL'S STRATEGIES FOR DEALING WITH BULLYING RESPONDING TO INCIDENTS WHEN THEY OCCUR**

### **REPORTING INCIDENTS OF BULLYING BEHAVIOUR INVOLVING PUPILS**

- Pupils who feel they have been bullied should report this to their class teacher or the adult on duty as soon as possible.
- Pupils who see others being bullied should report this to their class teacher or the adult on duty as soon as possible.
- Pupils hearing about incidents of bullying from either victims or other children should report this to their class teacher, or the adult on duty as soon as possible (use of the buddy system or bench).
- Members of staff, or visiting professionals, such as: those supporting SEN pupils; peripatetic teachers; other adults working with children, who receive reports that a pupil has been bullied should report this to the pupil's class teacher and the headteacher.
- Parents reporting incidents of bullying will be asked to follow the 'Complaints Procedure' initially informing class teachers, and then the headteacher if appropriate.

- Reports of bullying or inappropriate behaviour will be logged by staff on duty as part of the school's normal procedures.
- Where bullying is of a racist nature, we will retain a record of this, and incidents will be reported to Governors within the termly Headteacher's Report. This will be included in the LA minutes.
- Guidance on bullying for teaching and non-teaching staff is provided in the Staff Handbook.
- All reports will be taken seriously and will be followed up by the senior teaching staff and the headteacher.

### **SUPPORTING CHILDREN WHO HAVE BEEN BULLIED**

- We will provide support to pupils who are bullied or who perceive they are being bullied.
- They will be reassured that they do not deserve to be bullied and this is not their fault. We will assure them that it was right to report the incident.
- We will encourage them to talk about how they feel.
- We will try to ascertain the extent of the problem.
- We will engage them in making choices about how the matter may be resolved.
- We will try to ensure that they feel safe.
- We will discuss strategies for being safe and staying safe.
- We will ask them to report immediately any further incidents to us, and reassure them that their report will be followed up and taken seriously.
- We will affirm that bullying can be stopped and that our school will persist with intervention until it does.

### **MEASURES TO ELIMINATE BULLYING**

- We will interview the pupil (or pupils) involved in bullying separately.
- We will listen to their version of events.
- We will talk to anyone else who may have witnessed the bullying.
- We will reinforce the message that bullying is not acceptable, and that we expect bullying to stop. We will seek a commitment to this end.
- We will affirm that it is right for pupils to let us know when they are being bullied.
- We will adopt a joint problem solving approach where this is appropriate and ask the pupils involved to help us find solutions to the problem. This will encourage pupils involved to take responsibility for the emotional and social needs of others offering a support group approach.
- We will consider sanctions under our school's Behaviour Policy.
- We will advise pupils responsible for bullying that we will be checking to ensure that bullying stops. We will ensure that those involved know that we have done so.
- When bullying occurs, we will contact the parents of the pupils involved at an early stage.
- We will follow up after incidents to check that the bullying has not started again. We will do this within two weeks, and again within the following half term.

### **RECORD KEEPING**

We will keep records of incidents that we become aware of and how we responded to them.

Records are kept in a number of ways and may be used to help to identify patterns of behaviour, which can establish whether or not bullying is taking place. These records can take the form of the playtime behaviour monitoring notebook, the first aid record, records of discussions with pupils and parents in the Nurture File and/or class file, individual home/school diaries, the serious incident book.

### **WHEN TOUGHER MEASURES ARE NEEDED**

If necessary, we will invoke the full range of sanctions that are detailed in the school's Behaviour Policy. This also includes fixed term and permanent exclusion from school.

### **OUR RESPONSIBILITIES**

Everyone within school is expected to:

- Act in a respectful and supportive way towards one another.
- Raise awareness of the potential for bullying and its damaging effects on people.
- Adhere to and promote the objectives of this policy.

Pupils are expected to:

- Report all incidents of bullying or suspected bullying.

Parents can help by:

- Supporting our anti-bullying policy and procedures.
- Discussing with their child's teacher any concerns that their child may be experiencing.
- Helping to establish an anti-bullying culture outside of school.

### **BULLYING OUTSIDE THE SCHOOL PREMISES**

Schools are not responsible for bullying that occurs off the premises but we know that bullying can occur outside the school gates; on journeys to and from school and; through electronic communication. The bullying may be done by pupils from our own school, by pupils from other schools or by people who are not at school at all. Where a pupil or parent tells us of bullying off the school premises we will:

- Talk to pupils about how to avoid or handle bullying outside of school.
- Talk to the Headteacher of the other school whose pupils are bullying.
- Where appropriate, advise the parents of a child who is being bullied to talk to the police.
- We will discuss with County Legal Services on a case by case basis, if our circumstances ever require, the appropriate disciplinary action against pupils for bullying behaviour out of school hours.

### **CONCERNS, COMPLAINTS AND COMPLIMENTS**

We recognise that there may be times when parents feel that we have not dealt well with an incident of bullying – and we would ask that this is brought to the Headteacher's notice. If the Headteacher cannot resolve these concerns informally, parents can raise their concerns more formally through the school's Complaints Procedure.

### **MONITORING and EVALUATING OUR POLICY**

We will evaluate our anti-bullying policy using the following measures:

- The numbers of incidents that are reported to staff over a term. The number of incidents which appear to involve one pupil or a specific group of pupils.
- Pupils' perceptions of bullying in school through structured discussions in circle time.
- Pupil and Parent Surveys administered in the spring term annually and Parent View
- We will investigate patterns of absence to ensure that children are not taking unnecessary days off school due to fear of being bullied.
- The number of complaints and compliments that we receive from parents.

### **OWNERSHIP OF THIS POLICY**

This policy was drawn up by a working group of staff and Governors. The policy applies to all staff and all pupils. The Headteacher is responsible for introducing and implementing this policy. However, all staff, pupils and their parents have an active part to play in the successful review, development and maintenance of the policy. Governors will be given regular briefings on bullying within school, and will expect an annual report on the operation of this policy.
