We forget that forgiveness is greater than revenge.
People make mistakes.
We are allowed to make mistakes.
But
The Actions we take while in a rage
will haunt us forever.
Pause and ponder.
Think before you act.
Be patient. Forgive & forget.
Love one and all.
If you judge people,
you have no time to love them.
-Mother Teresa-

Christian Value of the Month - Forgiveness

We have learned about the benefits of forgiving others and how it makes both sides feel. We learned that even if we feel heartbroken due to someone's actions, it is beneficial for us to forgive, as this takes steps towards mending our own hearts. Lots of children have commented that they feel better when they let something go and move on. We have had lots of children making an effort to forgive and forget and one child in Class 4 said forgiving made her feel like her heart was stiched back up again and made her feel better 😊

Well done

We had a fantastic time at the swimming gala last week at Ormskirk Park Pool, where our team of 7 amassed an amazing 6 medals between them! This was a nail-biting event that had us up on our feet cheering most of the time! Thanks to Miss O for organising and to parents for transporting pupils to and from the event.

Bishop's visit

What can I say? I always say our school is fantastic and we have a wonderful school family comprised of children, staff, parents, governors and parishioners. This was confirmed last week when the Bishop of Whitby, Paul Ferguson and Rev Clay Roundtree attended our Holy Communion service in school. Father Clay was reduced to tears and said that our school was a truly special place where you could see and feel the love. Our pupils were a credit to us. We are so proud that they had such an impact on two people who visit schools often as part of their ministry. True examples of #lovelife #lovelearning #loveeachother

Love each other as I have loved you...
