

C.E.SCHOOL

# First to know

*Love each other as I have loved you...* John 15:12

Friday 8<sup>th</sup> March

## Learning this week:

This week we have been learning to add two groups together to find the total. We are becoming more familiar using our fingers to add the total which is great! In phonics, we have continued recognizing phase 2 sounds, tricky words and reading and writing captions, we are doing so well! In topic work, we have been learning about the planet and have enjoyed getting messy in shaving foam and paint to create our own for a beautiful class display! In R.E. we learnt the parable of the lost sheep, had fun acting it out and talked about what this parable Jesus told is teaching us: Jesus is our farmer, we are his sheep therefore he will always love and look after us. In addition, we had a wonderful day on World book day reading lots of our favourite stories! Thank you for sending them in!

## Learning next week:

Next week we will begin to learn phase 3 sounds. We will be recognizing and beginning to describe 3D shapes in maths. In topic work, we will look at how we get into space and learn how to make our own rockets!

## How you can help at home.

- Please send in any clean, boxes, cylinders, bottles for us to use in our junk modelling.
- Go on a 3D shape hunt, talk about the shape of each face, etc.
- Continue to add sums using our fingers to find the total.
- Read stories at home, practice writing tricky words.
- Play obb and bob on phonics play.

## Things to remember

P.E on Tuesday 12<sup>th</sup> March

Lent Breakfast in Holy Trinity Church @ 7:50 a.m. on Wednesday 13<sup>th</sup> March

Wear Green for St. Patrick's Day Friday 15<sup>th</sup> March

Please feel free to call in at the end of the day if you have any concerns. We are more than happy to help.

Mrs Crook, Mr Holdan and Miss Lloyd
