News 4 You!

*Always remember
You are Braver than
you believe
Stronger than you seem
Smarter than you think
& Loved more than you
knew*

Love each other as I have loved you... John 15:12

Friday 8th March

`Go confidently in the direction of your dreams!`

This Week

This week in English we looked at Relative Clause s and Relative pronouns. We also continued reading our story `Tin.` This week in particular we looked at creating a setting using descriptive language. In maths we continued looking at the formal methods of division, this week looking at using these skills in context.

In science this week we looked at the effect of gravity on different objects. The children explored the idea of mass and weight using newtons and kilograms.

In history this week we continued our work on the Shang Dynasty, the children have thoroughly enjoyed this topic so far.

This week we also dressed in Pyjamas for `World Book Day` were many of the children brought their favourite bed time story into school. The children were very excited and enjoyed sharing passages from their favourite books. (See the pictures on twitter [@BickerstaffeCE](#))

We also had the pleasure of hosting the bishop for our monthly Holy Communion Service the week, the children, as usual, sang, read and participated wonderfully! Thank you to all those parents who attended.

On Thursday night, some children from our class participated in the swimming gala, a huge congratulations and well done to all involved.
